Who am I!

Hi, I'm Vignesh Ravi, a passionate Python full stack web developer with expertise in building scalable and dynamic web applications. I have extensive experience with Python, Django, and fastAPI, and I am currently expanding my skill set in the MERN stack (MongoDB, Express.js, React, Node.js). I am eager to bring my problem-solving skills and innovative approach to a collaborative team environment.

Technical Skills

Backend: Django, Django REST framework, Node Express(beginner)
